

# The Pioneers Projects and Programs Periodical

FairPoint Pioneers Edition

April 2011 \* Vol. 4, Issue 13

The overarching purpose of *Pioneers Dish It Up: Feeding Families Healthy Food* is to provide food to "food insecure" families.

In April of 1991, Pioneers bought and donated locally grown food products to help families in need.

## Pioneers Dish It Up: Feeding Families Healthy Food

In response to chapter leadership feedback following the 2010 Annual Meeting in Atlanta and suggestions from Pioneers in the field, the first ever North American-wide Pioneers community service project has been created. It's an opportunity for all Pioneers, family and friends, co-workers, project partners and members of the community to participate in celebrating our Centennial year, and to demonstrate the impact Pioneers have in our communities.

The overarching purpose of the project is to provide food to "food insecure" families. Pioneers units that participate will choose a project to address this issue in their local community and are encouraged to include a healthy slant to their effort.

One option is to host a healthy food drive. This could include the collection of non-perishable, inexpensive, healthier nutritious foods with the collected items donated to a local food bank.

Another option is to create a service project focused on feeding people, such as working at a local food bank, soup kitchen or shelter, etc.

Units may also develop their own projects to help address this need in their communities.

Food drive projects will kick off on September 11, 2011, the National Day of Service and Remembrance. The food drive will wrap up and the complimentary service projects are scheduled to be completed on the weekend of September 24-25.

Watch for more information on the project to be shared via email, newsletters, Facebook, the Pioneers website and blog.

---

## Pioneers Projects - Looking Back 20 Years

As Pioneers plan their participation in the International Centennial Project, *Pioneers Dish It Up: Feeding Families Healthy Food*, we're reminded that Pioneers have been feeding the hungry throughout our history through a variety of local projects and programs.

Looking back twenty years ago to April of 1991, in Kingston, Ontario, the then 256-member Life Member Club of the Mohawk Loyalist Council donated a ton of food to the local food bank. (Literally a ton!)

That same year, the Ohio Valley Chapter bought over \$2,000 worth of Ohio-made food products that were locally grown, harvested and packed by Ohio businesses and donated the food to help families in need.

Meanwhile, in Bangor, Maine, Pioneers donated a new electric stove to the Greater Bangor Area Shelter to help provide meals for the residents.

In addition, members of the South Central Bell Pioneers sold cookbooks at an arts and crafts fair. Proceeds from the books, which included volumes from Mississippi, Arkansas, Louisiana and Alabama, benefited local Pioneers projects.

Clearly this is an issue that Pioneers care about, and the need is vast, stretching across all Pioneers territories. There are 49 million food insecure people in the United States and over 800,000 Canadians access food banks on a monthly basis.

# Quote for Funding Challenge

As a proud supporter of our Centennial, Liberty Mutual is sponsoring a "Quote for Funding Challenge" and giving away six \$2,500 grants to units across the United States. Simply by getting a no-obligation home, auto or renters insurance quote, you could help your unit receive additional funding to use during the Centennial year. Just think of all the good you could do in your community with some extra funding!

The top six Pioneers units with the most auto, home and renters insurance quotes between April 1 and May 31 will receive a \$2,500 grant. Winning units will be announced in June!

**HURRY!** This challenge is for a limited time - you only have until May 31, 2011 to participate!

This offer is not available to residents of IA, MA, ME, NJ, NY or NV.

For more information, and to get a quote today, visit [www.libertymutual.com/centennial](http://www.libertymutual.com/centennial) or call 1-800-357-2305.

Get an insurance quote for a chance to receive a \$2,500 grant.

## Pioneers Celebrate 100 Years through Service

To commemorate the Pioneers Centennial, the organization awarded over \$520,000 to 22 Pioneers units as part of the organization's Volunteer Community Grant Program. Recipients of the grants are executing a variety of service projects in communities across North America over the course of the year.

For example, the Florida Chapter refurbished 12 parks throughout the state, one park for each council and club. Plaques marking the Centennial anniversary were placed in each of the parks. The project was supported by AT&T as well, and more than 500 volunteers ranging from Service Technicians to the AT&T Florida State President participated in the project.

The Arkansas and Southwest Chapters announced their grant funding to support the restoration of the L. C. and Daisy Bate's House Museum. The house has been designated as a national historic landmark for its role in the Central High School desegregation crisis of 1957.

Pioneers from AT&T and New Outlook provided new teaching materials to 4th grade classrooms in Reno and Las Vegas, Nevada. With the grant funds, the Pioneers were able to provide 700 classrooms (177 elementary schools) in Nevada with new curriculum materials!

# Centennial Rewards and Recognition

The following Pioneers have logged 100+ hours in VolunteerNow! from October 1, 2010 - February 28, 2011. Congratulations to everyone who has reached this milestone – keep up the good work!
